Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

Intent of Family Handbook

This handbook is intended to be used by students, parents and staff as a guide to the rules, regulations, and general information about Lincoln Public Schools. Each student is responsible for becoming familiar with the handbook and knowing the information contained in it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Welcome to Cavett!

Welcome to the Cavett Elementary School website. It is a great honor and privilege for me to serve the Cavett community. I look forward to continuing to work alongside the wonderful Cavett staff, students, and families!

Cavett Elementary School serves approximately 600 children in our Preschool through Fifth grade program. Our staff works closely in collaborative teams as well as with the administrative team to provide a focused program of instruction. Cavett staff work diligently to provide instruction for students at their success level, differentiating instruction so that all students are challenged and feel success. At Cavett Elementary School, we strive to provide a safe, orderly and respectful environment that promotes high levels of student engagement and performance. We honor the unique strengths, talents, and diversity of each of our students and dedicate our efforts to help them experience individual success.

We value the partnership with our parents and our community. Parents know their children best and our partnership is valuable in helping us to support the unique needs of students. We are fortunate to have an active and supportive PTO. The PTO offers many educational enrichment supports that provide opportunities and experiences for students that otherwise would not exist. The PTO allows parents multiple opportunities to become involved in different activities that support our students and school.

In August, 1995, Cavett opened its doors with the motto “Cavett Cares!” This motto has carried through the years and is the foundation of our learning community. Our mission statement is, Teaching, learning and caring to develop productive, responsible citizens. One of our goals is to provide a safe learning environment for ALL students. In order to provide a safe learning environment that promotes student engagement, students learn and understand the expectations that it is Never OK to be hurtful, and Never OK to be disruptive. Cavett will continue to have and implement common expectations for ALL students throughout the learning environment.

Thank you for your interest and for visiting the online home of the Cavett Cardinals! Please be sure to check out the website of our Amazing Cavett Parent Teacher Organization—the link is located on the top of this home page under the heading LPS Parent Center. We invite you to become an active, positive and collaborative partner at Cavett!

Strong partnerships are the key to every success. The work we do together is important and essential to our students, families and learning community. With your support for Cavett, our goals are much more attainable. Please do not hesitate to call, email or even stop into the office if you have any questions or concerns.

Warmest regards,
Mrs. Kathleen Dering, Principal

BEHAVIORAL EXPECTATIONS

In order to maintain a positive learning environment for all students, clear expectations for appropriate behavior are provided.

Our goal is to reinforce appropriate behaviors and help students problem solve when the choices they make are not appropriate for school. Students receive Cardinal Cards for exhibiting safe, respectful and responsible behavior.

Cavett uses multi-tiered systems of support for behavior which includes proactive strategies, for defining, teaching, and supporting appropriate student behaviors to create a positive school environment.

We know that students will make mistakes during this developmental time in their lives. Cavett staff helps students learn how to problem solve and plan actions reflecting good choices to prevent errors of greater consequence later on in life.

Cavett staff also follow the due process procedures of the Lincoln Public Schools, which can be found in the LPS IMPORTANT INFORMATION HANDBOOK. Copies of the LPS Rights and Responsibilities are available in the school office.

There will be no tolerance for bullying, fighting/violence, intimidation, profane language and/or bigotry. Consequences for these behaviors will be significant and will involve both school administrators and parents. The possession and/or use of alcohol, drugs, tobacco and items which are weapons will call for immediate suspension.

BULLYING

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Kathleen Dering. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

MENTAL AND BEHAVIORAL HEALTH POINT OF CONTACT

Your student's mental health is important to their academic success. If you have concerns about your student's mental or behavioral health, you can contact the social worker at your student's school/program. LPS social workers are licensed mental health practitioners and can help connect you to appropriate mental health or behavioral supports.

STUDENT USE OF TELEPHONE

If a child is requested to stay after school by a teacher, the student will call home to inform parents. Only necessary telephone calls are allowed during or after school. Arrangements to visit friends should be made at home. During the day, office staff will be glad to take a message for a child or a teacher. **Telephone calls interrupt instruction and will not be transferred to the classroom while instruction is taking place.**

All phone messages for students will be delivered at the end of the day.

CELL PHONE AND ELECTRONIC DEVICES

District policy on cell phones and electronic devices can be found in the Lincoln Public Schools Important Information Booklet and can be accessed online at **LPS.org**.

LOST AND FOUND

Our Lost and Found is located in the main hallway. Please encourage your child to check periodically for lost items.. Whenever possible, label articles of clothing so we can return them to their owner. Items that are not claimed are donated at the end of each semester.

CAVETT P.T.O.

The Cavett P.T.O. has two objectives:

- a. To promote a cooperative relationship between the home and the school that will benefit the education of all Cavett students.**
- b. To enable parents and teachers to work together to provide opportunities for all students to reach their fullest potential in physical, cognitive, social and personal development.**

All parents and teachers at Cavett are considered members of the PTO and are encouraged to participate in committees, projects, and programs of the organization. The PTO website is **cavettpto.ptboard.com/home**. On the website you can sign up for the PTO newsletter, read about the committees, check the calendar of events, and see upcoming events. Come to a meeting to learn more about the PTO and get involved. Meeting dates will be announced at the beginning of the year.

2024-2025 VOLUNTARY SUPPLY LIST

Traditionally, one of the rituals families participate in as they prepare for the new school year is to purchase school supplies. In accordance with the Nebraska Constitution and state and federal law, Lincoln Public Schools provides a free, public education to all students. This generally means the district provides the supplies needed for instruction at no cost to students. This includes textbooks, pencils, erasers, crayons, glue, scissors, paper, notebooks, tissues, etc. For this reason, please do not send school supplies for your child's individual use at school.

You are NOT required to purchase any of these items, but you may wish to purchase and donate some items to your child's classroom. We ask that you do not put your child's name on any items. All items purchased will be graciously accepted as a donation to the school and will be shared by all students within the classroom.
