Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

ALL PROCEDURES, GUIDELINES AND DATES OUTLINED IN THIS DOCUMENT ARE SUBJECT TO CHANGE, BASED ON RECOMMENDATIONS AND DIRECTIVES ISSUED BY THE NEBRASKA DEPARTMENT OF EDUCATION, THE LINCOLN LANCASTER COUNTY HEALTH DEPARTMENT (LLCHD), OR OTHER GOVERNING BODY.

WALKING TO SCHOOL

Students walking to school should walk on the sidewalk. Please stay off personal property and out of the puddles, mud and snow. Students should be extra careful crossing the streets. Students are to cross the busy streets only where there are crosswalks. Thank you for reviewing safe pedestrian practices with your child.

GETTING TO AND FROM SCHOOL SAFELY

For Students:

- **NO** student(s) (except Family Service) should arrive before 7:45 a.m. Arrival time for students eating breakfast at school is 7:45 a.m. Report immediately to the Multipurpose room at door #14 for breakfast when you arrive.
- Students arriving between 7:45-8:05 a.m. (not encouraged) who are not eating breakfast enter through door #14 and will wait in grade level lines in the gym until 8:05 a.m., when they will be escorted to their grade level. This should be a **FEW** students whose morning routine requires this. No students should be waiting outside their doors before 8:05 a.m. These are unsupervised and could cause a safety concern.
- Students arriving between 8:05-8:15 a.m. should enter through their grade level door:
 - Kindergarten, 1st Grade & 2nd Grade: Door #1
 - 3rd Grade: Door #4
 - 4th Grade: Door #5
 - 5th Grade: Door #6

- All students should enter through Door #1 if arriving at or after 8:15 a.m. to receive a tardy pass.
- Do not speak to strangers.
- Walk with a buddy or in a small group if at all possible.
- Use crosswalks and avoid crossing between cars and buses.
- Walk to school using sidewalks and keep off property belonging to others.
- Immediately report any concerns experienced on the way to school to a teacher or office staff.
- Report to home or daycare immediately after school.

As Parents:

- Help establish safe routes to and from school with plans for an alternate route.
- Notify the school office and your child's teacher if there is a change in the established "to and from school" plan.
- Occasionally review steps for safe walking and stranger danger with your child.
- Periodically check the Nebraska sex offender registry at statepatrol.nebraska.gov.
- Monitor your child's route to and from school. . .ask, observe and expect safety both to and from school!

STUDENT DROP OFF AND PICK UP PROCEDURES

The following procedures will be enforced in the front drive of Hill School:

- There will be **NO STOPPING** on either side of the center median. Parking is available in the marked spaces on the left side of the median. Vehicles are not allowed to park parallel to the median on either side.
- The right most curb lane will only be used for immediate loading and unloading. Vehicles should **PULL UP AS FAR AS POSSIBLE**, load or unload their child(ren), **STAY IN CAR** and immediately pull back into the drive lane. It is beneficial for you to have a piece of paper in the window with your child's last name. Some parents put it on the passenger visor and fold down the visor upon dismissal. Staff will call this name out on the radio to encourage the students to come to the car. This curb lane should **NOT** be used to park and wait for children. Parents who need to go into the school or walk their child to their designated waiting area must park in the designated parking area. **PLEASE DO NOT EXTEND THE VISITOR PARKING SPOTS BY PARKING IN THE PAINTED AREA ON EITHER SIDE OF THE VISITOR PARKING. THIS IS VERY DANGEROUS AND DOING THIS PUTS THE VEHICLES TOO CLOSE TO THE CROSSWALKS. NO CAR SHOULD BE LEFT UNATTENDED IN THE CURB LANE, NOR SHOULD IT BE USED FOR EXTENDED WAITS.**
- Parents who drop off their children from the main street or parking area, or whose children walk to school, must have their children use the west crosswalk at all times to cross the drive. Parents and adults are asked to model this practice also.
- Exit from the drive should be to the **RIGHT ONLY**. There should be no left turns on to Tipperary Trail at arrival or dismissal time. This is recommendation by LPS and the City of Lincoln. Left turns in traffic cause significant delays.
- The parking lot is a **STAFF ONLY** parking lot (with the exception of handicapped parking) and **SHOULD NOT BE USED AS A DROP OFF OR PICK UP AREA EITHER BEFORE OR AFTER SCHOOL.**
- Be sure your child(ren) know to watch for your vehicle at pick up time. Having your child's last name on the back of the passenger visor will aid in them getting to the car as soon as possible to keep your wait time minimal and the car line moving quickly for all parents.

Although these rules, on occasion, can result in longer lines and a few more minutes needed to pick your children up from school, the tradeoff for convenience will be a much safer environment during the hectic

after-school period. On extremely cold days, we will bring the children into the multipurpose room at the end of the day and have them watch for their rides through the big windows.

We continue to need active participation and cooperation of all Hill parents. As always, we will continue to re-evaluate these procedures. With a student population of approximately 400 students, everyone's cooperation is needed to make our school safe for all children and families.

Thank you in advance for you cooperation on this important matter. We realize that this will be a little more inconvenient for some parents, but, in the end, the drive will be a much safer place for our children.

SCHOOL BREAKFAST PROGRAM

Hill School offers a before school breakfast program. Breakfast is served from 7:45 a.m. to 8:15 a.m. each morning. Students riding the bus will be served breakfast upon arrival at school. After 8:15 a.m., students may eat their breakfast in their classroom area. Students have the choice of selecting a cold breakfast (ex: cereal and mini breakfast bar) or hot breakfast (ex: breakfast pizza) plus receive 100% fruit juice, low fat milk and optional 1/2 cup serving of fruit. All students are welcome to eat at school.

SCHOOL LUNCH PROGRAM

The lunch period at Hill School is 30 minutes in length. Kindergartners will have 30 minutes in the lunchroom to eat however, we will begin dismissing students after 20 minutes. Students are allowed to stay in the lunchroom to finish eating if they choose to do so. Approximately 20 minutes of this time is for children (Grades 1st thru 5th) to eat with a 10 minute after lunch recess.

A school lunch consist of a choice of two or more hot entrees, chef salad or meatless entree plus a salad, vegetable, fruit and milk. Purchase of carton of cow's milk is 60 cents. A lunch menu will be sent home on a monthly basis with the two entrees that are available each day. Sometimes lunch menus change unexpectedly; more accurate information can be found online at LPS.org.

At Hill, our cash register system is run by a computer that keeps track of your student's meal account balance. Each student is given a meal card with a number specific to your student's meal account. This card is only used by your student when they purchase meals at breakfast and/or lunch.

Free and/or reduced lunch application forms are available on the LPS web site. You can access this application by visiting LPS.org and entering "Free and Reduced" in the search box. Eligibility for this program is determined by Federal guidelines. **FAMILIES OF STUDENTS WHO MAY BE ELIGIBLE FOR FREE OR REDUCED PRICE MEAL BENEFITS MUST SUBMIT A NEW APPLICATION EACH NEW SCHOOL YEAR (JULY 1ST OR AFTER) TO DETERMINE ELIGIBILITY.** Applications must be submitted online. No paper copies can be accepted. **Students are allowed to "borrow" if they do not have sufficient funds to pay for lunch, but it is recommended that a child not borrow more than one day and that they repay the loan the next day.**

Parents and guardians are encouraged to have lunch in the school cafeteria with their children occasionally. Please call the office (436-1142) by 8:30 a.m. if you are planning on having a school lunch at school. To promote healthy habits and to follow health codes, we do not share food. If you are bringing food for lunch from home or a fast food restaurant we ask that you only bring food for you and your child(ren) and not to share with others.

Finally, the school cafeteria is a dining room away from home. Good eating habits and courteous behavior and conversations during the lunch period contribute to an enjoyable school environment. Parents, staff and students will work together in this regard.

Please ensure your child has adequate gear for cold weather throughout the winter. On days with extreme temperatures we will opt for inside recess.

A day, B day, C day or D day.

Mental and Behavioral Health Point of Contact

Your student's mental health is important to their academic success. If you have concerns about your student's mental or behavioral health, you can contact the social worker at your student's school/program. LPS social workers are licensed mental health practitioners and can help connect you to appropriate mental health or behavioral supports.

BULLYING

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Emily Wiebeck (ewiebeck@lps.org) or Dana Erickson (derickso@lps.org). All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy. Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program. Please feel free to contact your child's teacher, Ms. Erickson, Mrs. Wiebeck or Mrs. Carnie if you feel your child needs support with school.
