**Calendar Options for Families:** The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

**Note:** Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

# Welcome to the 2025-26 school year!

We have worked hard to prepare for the upcoming year and we look forward to a great year at West Lincoln.

Communication with families is a priority for us and we want to be sure that families get our communications.

- Our handbook and website provides families with scheduled days off from school, general information about West Lincoln and school procedures for families.
- Wildcat Newsletter will be sent home every two weeks by email and also paper copy to the oldest student in the family.
- Classroom teachers will communicate with families on a regular basis.
- Facebook will be a great way to see what happens during the school day, Also reminders about school event are shared there. Please “like” us on the West Lincoln Facebook page.

Traditionally, our parents have been very involved at West Lincoln. Our Community Learning Center organizes family nights throughout the school year. These events are fun learning opportunities for your child and a great way to connect with other families.

Our Parent Teacher Organization (PTO) is an excellent way for families to connect with the entire school community and learn more about West Lincoln.

For families who are learning English, we have a Family Literacy class that meets each day from 9:15-11:15 a.m. Please call the school if you are interested in learning more about Family Literacy.

We look forward to a great school year!

Sincerely,  
Scott Schwartz, Principal

## Attendance

We know students who attend school regularly and on time perform better in school. It is our goal to have every student in school as many days as possible, and to work with parent and guardians to help students understand the importance of being in school. Parent are encouraged to report their students absence by calling the attendance line or using ParentVue. Students may also be excused from school to participate in a school-approved activity.

When a student reaches 10 absences, a computer-generated letter is sent to parents/guardians to inform them of their students attendance and to offer assistance. Additional letter will be generated when absences reach 15 and 20 days. Excessive absences may result in a collaborative plan being developed between the parent/guardian, student and the school.

Based on School Board Policy (Reg.5140.1), it states that “the school may report to the count attorney when a collaborative plan involving the school, guardian and student to reduce barriers to improve regular attendance has not been successful and the student has accumulated more than twenty (20) absences per year.

## Medical and Dental Appointments on School Time

Student are granted approved absences from school in order to keep medical and dental appointments during school hours. To receive a district excused absence a doctor’s note must be turned into the office when the student returns from their appointment. In addition students must check in with the office upon departure for the appointment and on return to school. A computerized record is kept when the student is out of the building.

## Attendance at Special Events, After-School and/or Evening Activities

Students attending after-school and or evening activities at West Lincoln School must be accompanied by a parent/guardian. Students must be in attendance during the school day in order to attend special events during the school day, after school and/or evening activities.

# Homework Tips for Parents/Guardians

School homework/make-up work should be related to curricular objectives. Students should experience regularly scheduled time at home, free of distractions or interruptions, where they can develop self-discipline and individual responsibility for learning. When students are not assigned specific homework practice, it would be beneficial for them to read a book, practice spelling words, practice math facts, or write a story. Please work with your child's teacher if you would like additional guidelines. Children will have math almost every night.

- maintain a positive attitude toward learning and the value of homework.
- help your child find an area to study that is quiet and relatively free of distractions.
- be patient with the child and praise him/her for any effort made.
- if your child has trouble understanding directions, help him/her with explanations. If the child continues to have difficulty, help the child with the beginning part of the assignment. If the child still has difficulty, end the homework and write a note to the teacher explaining the problem. Do not do the homework for the child.
- look over the assignment when the child says they are done to see if they have forgotten anything and have done it well. Praise the child for his/her accomplishment.

## West Lincoln Homework Policy

Homework is vital for providing independent practice and reinforcing concepts taught in class to help students become successful. Parents, students, and the school will work in partnership to support student learning.

### Roles

#### The Teacher Will...

- Communicate expectations and homework procedures
- Assign appropriate homework
- Provide feedback to the parents and students in a timely manner

#### The Parents Will...

- Provide a quiet place and time for their child to do school work
- Encourage their child to complete school work

#### The Students Will...

- Make a sincere effort to complete their homework Homework at all grade levels should not consume a child's evening. Most homework should take 10-30 minutes

# General Information

## Important Information Needed

For the safety of your child, it is a necessary responsibility to give the school the name of a person to contact in case you cannot be reached. It is very important that parents/ guardians notify the school of any change in address and/or telephone number. The office must have a current telephone number on file in case we must contact you in the event of an emergency.

## Animals on School Property

For the safety and well-being of students, parents, community members and staff, pets/personal companion animals are not allowed to be brought on school grounds when students are present except in accordance with this regulation. Having your pet in the car with you when you pick up your child is acceptable. Animals brought to school as Pet Therapy animals will follow the Pet Therapy Guidelines and service animals are permitted in accordance with Policy 3972. Thank you for your assistance with this.

## Field Trips

Field trips provide students with opportunities to enrich their learning of the curriculum in the community. School buses are used to transport students on field trips. Parents/Guardians are asked to sign a form at the beginning of the school year giving permission for students to participate in field trips throughout the school year. Parents will be notified before each field trip as to the destination, date, and time of the trip. Students are expected to demonstrate appropriate conduct, as a basis for participation on field trips.

## Student Use of Telephone

Students are permitted to call their parents from school if needed. We ask that they request permission from their teacher to come to the office to call. We appreciate that after school plans are in place before your child arrives at school. Please call the office if there are changes to your child's after school plan.

## Lost and Found

Lost and found is located by the front door. Smaller items, like glasses and jewelry, are kept in the office. Whenever possible, label your child's belongings. Encourage your child to periodically check for lost items. Items not claimed by semester break and at the end of the school year are donated to a local children's charity.

## Cell Phone and Electronic Devices

Cell phones, smart watches, and other personal electronic devices are considered nuisance items if seen or heard during the school day. If students bring a personal electronic device to school, it should be kept in their backpack, locker, or location designated by school staff during the school day. The school is not responsible for damaged, lost, or stolen devices. Please note that it is unlawful, and therefore prohibited on school grounds, to take a picture or record audio or video of another person without their consent.

# Bullying

If you feel that your child is being bullied by peers, please contact your child's teacher or an administrator. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

## West Lincoln Parent Teacher Organization

Parents, community and staff make up the membership for this organization. The support and involvement of the total West Lincoln community is desired and needed.

**Calendar Options for Families:** The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

**Note:** Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.
