HEALTH-RELATED DISMISSAL FROM SCHOOL

Health Services Department
Lincoln Public Schools • Lincoln, Nebraska

Date: _____

Dear Parent/Guardian of: _____

Your student is being sent home from the health office for the following reason:

- Fever of 100 degrees or greater. Temp: _____
- Skin rash (that may be contagious to others)
- Pink/Red eyes with drainage
- Vomiting or diarrhea
- Earache or drainage from the ear
- Persistent Cough
- Injury that needs attention: _____
- Illness that needs attention: _____
- Other: _____

In order for your child to return to school:

- It is recommended that your student is fever free for 24 hours without the use of medications.
- The rash is gone or there is a note from a medical provider which says the rash is not contagious to others (recommended).
- The eyes are clear, with no drainage or a medical provider's note stating the student is not contagious (recommended).
- It is recommended that there is no vomiting or diarrhea for 24 hours.
- It is recommended that the persistent cough is resolved without the aid of cough suppressant medication.
- You have a note stating medical clearance from your medical provider.
- Other:

Please call the school health office at _____ if you have any questions.

Please contact your student's attendance office, if you are keeping your student home ill.
