Behavioral Expectations for Those Who Ride the Lincoln Public Schools Buses

- Students are expected to follow safety rules at all times, including:
 - Make sure the bus is stopped before leaving your seat to get off the bus.
 - Keep all parts of your body inside the bus at all times.
 - Talking to the bus driver while the bus is moving should be kept to a minimum.
 - Keep the bus aisle clear at all times. Lunch packs and backpacks should be in the seat.
 - Report any damage to the bus to the driver.
 - No eating or drinking on the bus. Possession or use of tobacco or alcohol is strictly prohibited.
 - Keep hands to yourself and walk when getting off the bus.
 - When crossing in front of the bus watch for the driver's "all clear" signal before crossing the street.
 - Students must get on and leave the bus only at their assigned stop.
 - Cross the road or street in front of the bus before it has pulled away from the stop. This gives you the protection of the bus signals.
 - Nuisance items are not allowed on the bus, i.e., balls, spray cans, animals, water guns, skateboards, etc. Items such as weapons or look-a-like weapons or equipment which in *any way* would endanger the lives, health, or safety of the children or other passengers and the driver are strictly prohibited. Look-a-like weapons associated with a school sponsored or approved activity may be transported only with written permission of a school administrator.
 - Any items that would break or could produce injury if tossed about inside the bus when involved in an accident or sudden stop shall be secured.
 - Behave in a manner that is polite and not offensive to others on or around the school bus.
 - Follow the directions of the bus driver. Drivers have the authority to assign seats whenever such action is appropriate.
- Students are expected to abide by the rules described in the *Responsibilities of Students* in the Lincoln Public Schools *Important Information Booklet* and the transportation brochure entitled *The Ride Guide*.
- The process that will be followed in situations involving violations of behavioral expectations for riding a bus is as follows:
 - 1st OFFENSE:** The driver will talk to the student about his/her behavior in an effort to correct it. The driver may report it orally to a school administrator and the school administrator may work with the student.
 - 2nd OFFENSE:** The driver will give a written report to a school administrator. The school administrator counsel with the student. Parents/guardians will be contacted.
 - 3rd OFFENSE:** The driver will give a written report to a school administrator. The school administrator will contact the student and inform the student of the alleged misconduct. The student will be given the opportunity to orally respond. The school administrator will contact parents/guardians for a conference. The student may be suspended from the bus pending this conference. The suspension may be extended five days beyond the conference date at the discretion of the school administrator and Transportation staff.
 - 4th OFFENSE:** The driver will give a written report to a school administrator. The school administrator will contact the student and inform the student of the alleged misconduct. The student will be given the opportunity to orally respond. The school administrator will contact the parents/guardians for a conference. The student may be suspended from the bus for the semester at the discretion of the school administrator and Transportation staff.
 - SERIOUS RULE VIOLATIONS:** The driver will complete and submit to the school administration a bus conduct report or incident report involving the occurrence of any student behavior involving weapons or the making of terroristic threats, any student behavior which affects safety, and any serious rule violations. A student may be suspended from the bus at any time without the existence of prior rule violations if the school administrator and/or Transportation staff determines it is warranted because of the seriousness of the rule violation. Other disciplinary consequences in addition to suspension of bus privileges may occur as described in the *Responsibilities of Students* in the Lincoln Public Schools *Important Information Booklet*.

Parents/guardians may appeal a decision to suspend bus privileges by contacting the director of student services in writing to request a review. The decision of the director of student services is final.
